# TALE AND ALE I

**THURSDAY, SEPTEMBER 5, 2013**

THE UNIVERSITY OF TEXAS SCHOOL OF DENTISTRY AT HOUSTON

COOLEY UNIVERSITY LIFE CENTER

7440 CAMBRIDGE STREET | HOUSTON, TEXAS 77054

THIS PROGRAM KICKS OFF THE UTSD GENERATIONS DENTAL CONFERENCE & UTSD ALUMNI ROUND-UP

### SYMPOSIUM A

Concepts and Controversies in the Diagnosis of Oral Premalignant Lesions

**Presented By:**

Drs. Kalu Ogbureke and Nadarajah Vigneswaran

### SYMPOSIUM B

Crisis Resource Management in the Dental Office: A High-Fidelity Simulation Experience

**Presented By:**

Drs. Trevor Treasure and Kamal Busaidy

### SYMPOSIUM C

Update in Pediatric Dentistry

**Presented By:**

Drs. Gary Badger, Bhavini Acharya, and Amber Callas

The Greater Houston Dental Society is an ADA CERP Provider. ADA CERP is a service of the American Dental Association to assist dental professionals in identifying quality providers of continuing dental education. ADA CERP does not approve or endorse individual courses or instructors, nor does it imply acceptance of credit hours by boards of dentistry. The Greater Houston Dental Society designates this activity for 2 hours of continuing education credits. Concerns or complaints about a continuing education provider may be directed to the provider or to ADA CERP at [www.ada.org/cerp](http://www.ada.org/cerp).

### SCHEDULE

**6:00 p.m.**  
Heavy Hors d'oeuvres Reception and Sponsored Exhibits

**6:15 p.m.**  
New Member Orientation

**7:00 p.m.**  
Business Agenda

**7:30 p.m.**  
Clinical Symposiums (2 CE Hours)

### REGISTRATION FEES *Advance Deadline ends September 2nd*

**Member** (Dentist, Staff and Spouse)  
\$40 in advance / \$55 after deadline

**Non-Member** (Dentist, Staff and Spouse)  
\$50 in advance / \$65 after deadline

REGISTRATION FEE INCLUDES PARKING, HORS D'OEUVRES, COMPLIMENTARY ALE, AND TWO HOURS OF CONTINUING EDUCATION CREDIT.

A 25% administration fee will be applied to any refund request received prior to Monday, September 2, 2013. Refund requests will not be accepted after this deadline. Registration fees are for this meeting only. To register for a symposium, print your preferred symposium letters in the order of first, second, and third choice. Your assigned symposium will be identified on your name badge.

**Name of Attendee(s)** *(please print)*

**Member:** M or Symposium Selection (A through C)

### REGISTRATION AND PAYMENT:

Payment is required with registration; otherwise registration for the meeting is not guaranteed.

## Hit Man vs. Healer: Implementing a Risk Assessment Strategy

Presented by: John C. Kois, DMD, MSD

The fundamental rationale for a comprehensive treatment approach is a long-term strategy for dental health commensurate with an enhanced level of wellness for our patients. Understanding parameters of disease expression is sometimes confused because of misguided science or parameters that have led to patient adaptation. Formulating specific treatment needs based on an individual's risk assessment has created new challenges for both the dentist and the patient. Until we have more objective data with better metrics, much of our clinical decision making will remain emotionally driven and empirical. This reliance, in turn, will make us more vulnerable to moral and ethical deliberations that are often confused with our inability to make a proper diagnosis. This program will reduce the confusion that has been created in our profession.

For example, our knowledge about occlusion has been based on gnathologic principles. These concepts are the basis of a mechanical system with focus on posterior determinants and mutual protection. If it is that simple, why can't we predict when or why occlusal pathology develops or why can't we always create a therapeutic occlusion?

### Course Objectives:

Upon completion of the course, the attendees will learn:

- A systematic approach to treatment planning every patient in your practice.
- To focus on the four most important categories in order to minimize failures and maximize successful results.
- Biologic principles necessary for a functional occlusion.
- New paradigms that enlighten participants about understanding occlusal dysfunction.

### About the Presenter

**John C. Kois, DMD, MSD** received his DMD from the University of Pennsylvania, School of Dental Medicine and a Certificate in Periodontal Prosthodontics with an MSD Degree from the University of Washington, School of Dentistry. He maintains a private practice limited to Prosthodontics in Tacoma and Seattle and is an Affiliate Professor in the Graduate Restorative Program at the University of Washington. Dr. Kois continues to lecture nationally and internationally, is a reviewer for many journals and is the Editor in Chief for *The Compendium of Continuing Education in Dentistry*. Dr. Kois is the recipient of the 2002 Saul Schluger Memorial Award for Clinical Excellence in Diagnosis and Treatment Planning, and received a Lifetime Achievement Award from both the World Congress of Minimally Invasive Dentistry and the American Academy of Cosmetic Dentistry. He is the past president of both the American Academy of Restorative Dentistry and American Academy of Esthetic Dentistry, and a member of numerous other professional organizations. In addition, Dr. Kois continues to work with restorative dentists at the Kois Center, a didactic and clinical teaching program.

### General Information:

## Stats, Facts, Myths, and Downright Lies: Answering Patients' Questions About Their Health

*Presented by: JoAnn R. Gurenlian, RDH, PhD*

Are you ever caught off guard when patients ask you questions about their health? Ever wonder if what you are reading in the literature or hearing at scientific conferences is correct? Does some information sound too good to be true?

This course is an opportunity for us to review current health information and decipher it to determine what statements are true and which ones might be stretching the facts! We will discuss how to use current information in your practice setting to make oral health education and treatment relevant for your patients.

**Course Objectives:**

Upon completion of the course, the attendees will be able to:

- Discern fact from fiction in scientific presentations and literature.
- Identify strategies to determine the extent to which information presented at conferences and through published literature is true or false.
- Reflect upon the value of dental hygiene and dental assisting publications and continuing education programs.
- Utilize information in health practice settings to provide current, factual health education and treatment to your patients.

*PM Presentation...*

## Diagnostic Devices for Detecting Oral Cancer

In the United States, approximately 40,000 new cases of oral cancer will develop this year and more than 7600 cancer deaths will occur. Oral cancer is more prevalent than cervical cancer and Hodgkin's lymphoma. One American dies every hour from oral and pharyngeal cancers. Diagnosis of oral cancer is established twice as often at a later stage for the disease, resulting in a poor prognosis. The purpose of this course is to familiarize the oral health professional with various methods for detecting oral cancer. Advantages and uses of the head and neck examination, toluidine blue staining, exfoliative cytology, brush biopsy, ViziLite, VELscope, Identafi, salivary diagnostics, and surgical biopsy will be discussed.

**Course Objectives:**

Upon completion of the course, the attendees will be able to:

- Describe current clinical devices used to assess oral cancer risk in clinical practice.
- Discuss the benefits and limitations of using these devices for diagnosis and risk assessment in practice.

**About the Presenter:**

**JoAnn R. Gurenlian, RDH, PhD**, has a bachelor's degree in dental hygiene from Fairleigh Dickinson University, a master's degree in dental hygiene from Columbia University, and a doctoral degree specializing in educational leadership from the University of Pennsylvania. She is Professor and Graduate Program Director of the Department of Dental Hygiene at Idaho State. She is the President-Elect of the International Federation of Dental Hygienists and Past President of the American

Dental Hygienists Association. Dr. Gurenlian maintains a column entitled "Looking Ahead" in *RDH Magazine*, and is the co-author of a textbook, "Preventing Medical Emergencies."

**General Information:**

**REGISTRATION INFORMATION**

**Telephone Number:** (713) 486-4028 | **Fax Number:** (713) 486-4037 | **Web:** <http://dentistry.uth.edu/ce>

**PREREGISTRATION:** Preregistration for all courses is necessary. It is beneficial for participants to preregister for a course as the course packet will be available for them at check-in. Please call the Office of Continuing Education at (713) 486-4028 to preregister for a course or mail the registration form, with check, made payable to UTSD – Continuing Education.

**MAIL PAYMENT TO:**

UT-SCHOOL OF DENTISTRY  
Office of Continuing Education, 7500 Cambridge St., Suite 6130, Houston, Texas 77054

The Office of Continuing Education cannot be held responsible for the cost of a nonrefundable airline ticket or flight change in the event of a course cancellation or the rescheduling of the program.

Upon registering in any continuing education activity, the participant agrees that The University of Texas School of Dentistry at Houston and their affiliates, and all personnel associated with the program are not responsible or liable for any injuries or other damages sustained by the attendee in connection with the scheduled activity, and the participant hereby releases each of them from any claims against them arising directly or indirectly from any such injury or damage. The registered participant grants permission to the Office of Continuing Education (and its designees and agents) to utilize the participants' image, likeness, actions and/or statements in any live or recorded audio, video, or photographic display or other transmission, exhibition, publication, or reproduction made of, about, or at, the activity without further authorization or compensation. Participants may not use video or audio recording devices during the course or scheduled event. Registering for any continuing education activity constitutes acceptance of these terms.

**PAYMENT BY CHECK:** To hold your space in any one of the continuing education programs, *please provide credit card information when preregistering. If payment by check is desired, the credit card will not be charged*, but will be "on hold" until the check is received by the Office of Continuing Education. **Please make checks payable to: UTSD Alumni Association**

**PAYMENT BY CREDIT CARD:** MasterCard, VISA, or Discover Card only. American Express payments are accepted when registering online.

**ON-SITE CHECK-IN:** Please check details of each course for designated time and location of course check-in. Participants can pick up packets thirty minutes prior to the beginning of the course. Same-day walk-in enrollments will be accommodated on space-available basis.

**CONFIRMATION:** Your registration confirmation and an area map of the School of Dentistry will be emailed to you the day of registration. Upon request, you will also receive a listing of nearby hotels. Proof of payment and credit letter will be issued on the day of the course.

**CREDIT:** The University of Texas School of Dentistry at Houston Office of Continuing Education is designated as a recognized provider by the Continuing Education Recognition Program (CERP) conducted under the auspices of the American Dental Association. The formal continuing education courses are accepted for Fellowship/Mastership and membership maintenance credit by the Academy of General Dentistry.

Individuals should consult with their State Boards regarding recognition of courses acceptable for re-licensure.

This continuing education activity has been planned and implemented in accordance with the standards of the ADA Continuing Education Recognition Program (ADA CERP) through joint efforts between The University of Texas School of Dentistry at Houston-Office of Continuing Education, the Charles A. George Dental Society, the Greater Houston Dental Society, the Greater Houston Dental Hygienists' Society, the Houston Asian American Dental Society, the Houston Hispanic Dental Association and the UTSD Alumni Association.

**\* Quick and Easy Registration \***  
(713) 486-4028

The formal continuing education programs of this sponsor are accepted by AGD for Fellowship/Mastership credit. The current term of acceptance extends from 11/01/2011 to 12/31/2015. The University of Texas School of Dentistry at Houston is a member of the Association for Continuing Dental Education.
